SAFETY EYEWEAR

100 YEARS OF
Zyloware
SINCE 1923

#WeAreZyloware

"EACH DAY ABOUT 2,000 U.S. WORKERS SUSTAIN A JOB-RELATED EYE INJURY THAT REQUIRES MEDICAL TREATMENT."

(NIOSH –The National Institute for Occupational Safety and Health)

SAFETY CERTIFICATION RX SAFETY EYEWEAR MEETS STANDARDS

The INVINCIBLE SAFETY EYEWEAR Collection meets the stringent ANSI Z87-2+.

ANSI Z87-2+ Standard: Any Rx-able safety-rated frame that is compliant with high-impact and industrial safety standards set by the American National Standards Institute.

ABOUT THE COLLECTION:

Invincible Safety Eyewear is a collection of Rx'able designs engineered to help protect the eye from debris and hazardous particles.

PLASTIC

- IP101 & IP102 Non-Conductive wrap-around designs have no metal parts and come complete with dust dam, retention head strap, and rubber padding for all-day comfort.
- IP103 is a conventional trendy unisex style for those who are more fashion conscious.
- Each plastic style has integral sideshields and provides a generous viewing area.
- Passes ANSI Z87-2+ Standards.

METAL

- Classic styling with signature details in durable metal and stainless-steel combinations.
- Fashionable men's, women's, and unisex designs to accommodate most facial shapes.
- Sizing ranges from 54 to 61 eyesize.
- Permanent side shields.
- Screw in nose pads for added security.
- Passes ANSI Z87-2+ Standards.

FEATURES & BENEFITS

- Broad ANSI Z87-2+ safety eyewear collection designed for men and women to help protect workers' vision without sacrificing personal style.
- Materials include injected molded plastics, metal, and stainless steel in both shiny and matte finishes.
- Plastic styles feature two non-conductive wrap-around designs, and one conventional safety frame with trendy styling.
- Metal styles feature signature detailing on both classic and on-trend fashionable shapes with screw-in nose pads.
- A wide range of sizes and frame shapes to fit all types of face shapes.
- Permanent and integral sideshields deliver seamless protection.
- Accommodates a wide range of prescriptions.
